Suggested Use:

There are many great ways to use and store Logic Tile Cards. My favorite way is the **binder system** shown below.

*Use a 1-1 1/4 inch binder to store each tile card set.

*Print a cover for the binder for students to easily choose a logic tile card set to use (binder cover included below).

*Print a set of the directions and place them at the front of the binder.

Directions Printed

"R" Blends

Logic Tile Cards

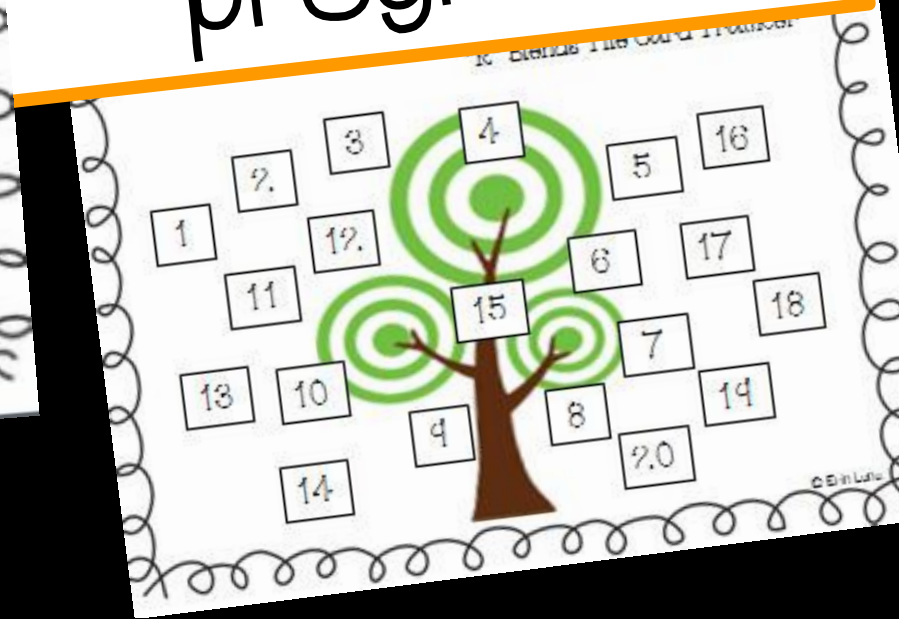

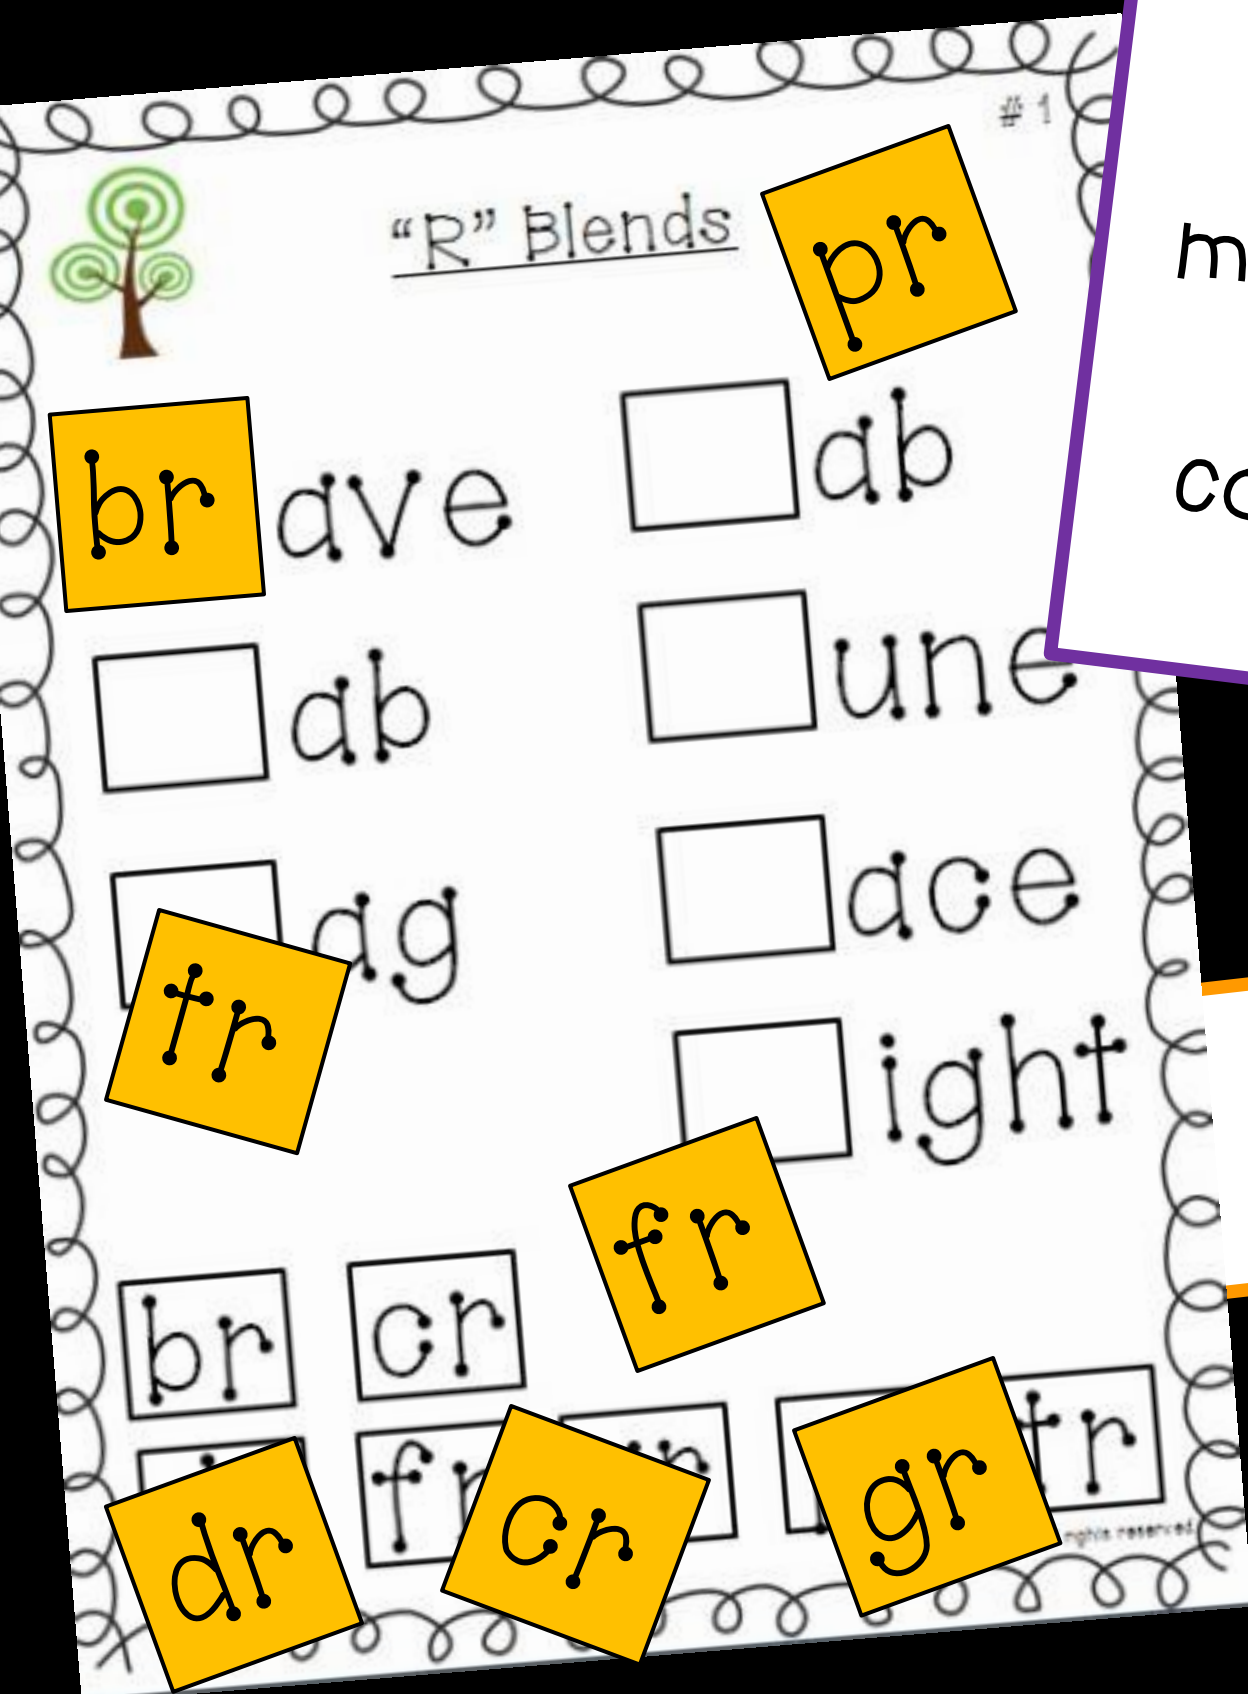

20 different "R" Blend
Logic Tile Cards!

Students use their
logic skills to
manipulate the blend
tiles until seven
correct words are
made!
