Created by Erin Lane

Nine different character activities included!

Name _____

Character Predictions

Name _____

Character Interview

Choose a character from your reading that you would like to interview. On the lines below, write the questions that you would ask that character if they were sitting right next to you.

The character being interviewed:

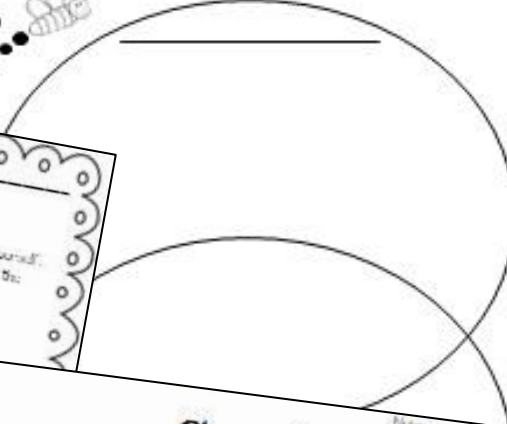

From the book:

Name _____

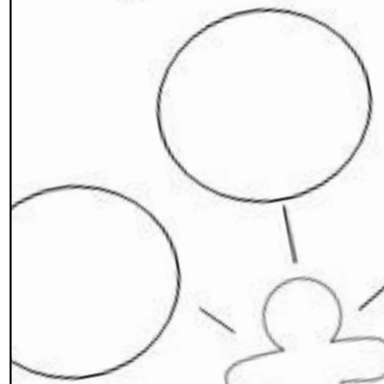

Character Comparisons

Fill in the Venn diagram with two characters' names from your reading. Compare and contrast the two characters.

Name _____

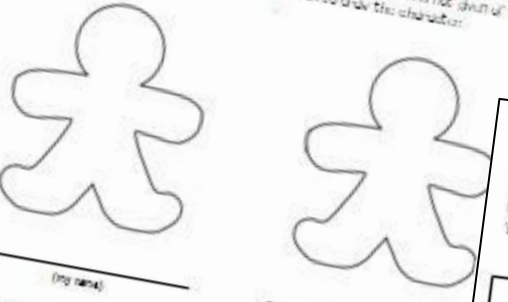

Character Map

Name _____

Character Connections

Make a connection to a character from your reading. First, draw a picture of yourself. Then, draw a picture of the character. If a typical classmate is not drawn of the character, then use your imagination to draw the character.

(My self)

The character that I am connected to is named _____

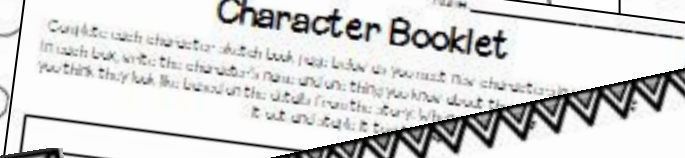

From the book _____

I am connected to _____

Name _____

Character Booklet

Complete each character sketch book page below as you read the character's story. In each book, write the character's name and one thing you know about the character. You think they look like based on the details from the story. Write the name of the book it was from and draw it.

Name _____
