### LEMONADE LAND

Name: \_\_\_\_\_ MIXED PRACTICE

Begin at START. Solve the multiplication problem and work your way through Lemonade Land. Color each answer box as you go. The answer boxes can be to the left, right, top or bottom of the problem. Each time you land in a box that has a lemon in it, record it below by marking a tally mark. When you have reached the end, total up your tally marks and see if you got the right amount of lemons by solving the multiplication problem at the bottom of the page.

<b>START</b> 2 x 12	20 12 x 3	32 10 x 5	50 11 x 8	64 8 x 8	45 2 x 5
