

Positional Words Book BUNDLE!

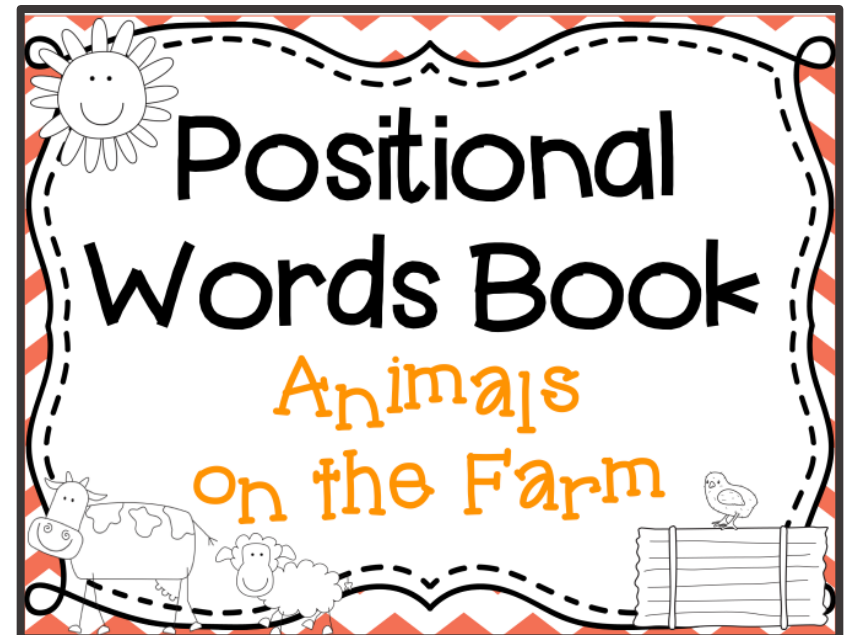

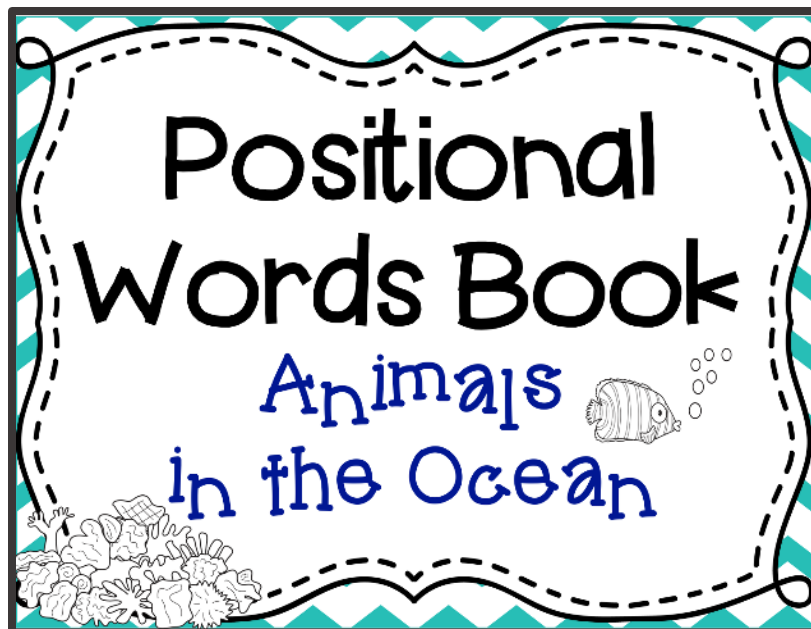

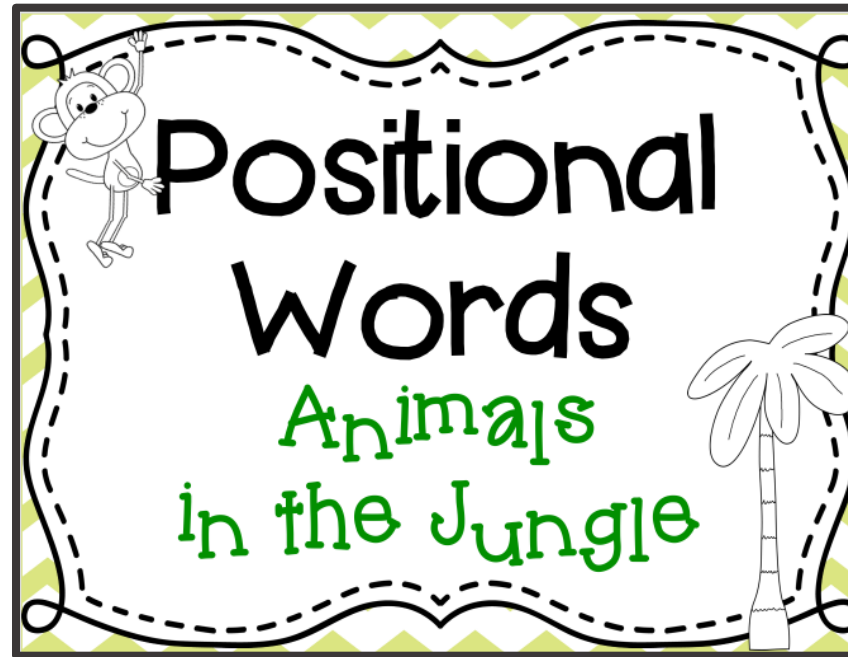

Hello!

I hope this Positional Words set makes teaching positional words a breeze! For each lesson, I first introduce each positional word by showing the poster PowerPoint slides. Each slide shows a new positional word in action. After we learn the words, students get to make their own positional words booklet. Each booklet comes in two formats so you can differentiate for your students, or use it as an assessment tool!

If you have any questions, please feel free to contact me at: InspiredElementary@gmail.com.

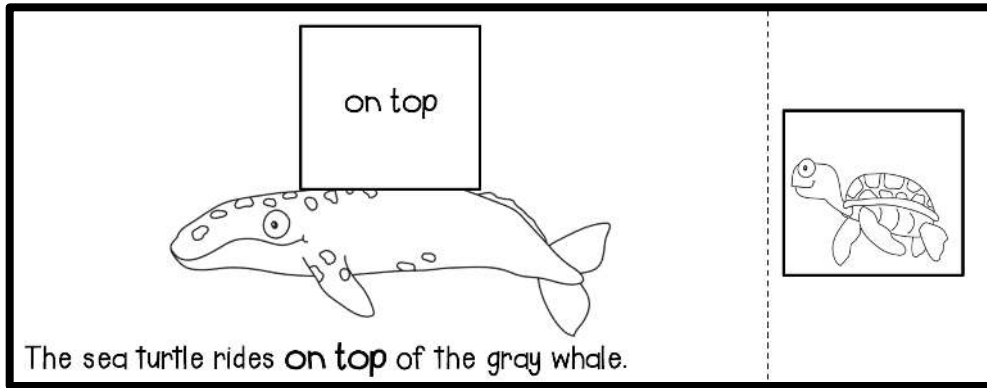

The Bundle includes all three sets!

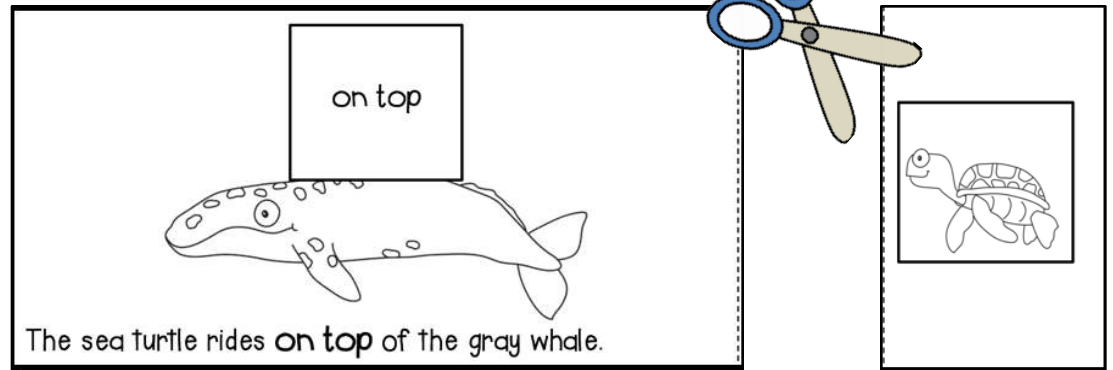

Each set has a booklet to help students practice and/or assess positional words!
