Match It!

Trace & Write

The worksheet features four distinct activity sections for the word "myself":

- Match It!:** A matching exercise where words in boxes on the left (better, myself, draw, hold, much) are connected by lines to words in boxes on the right (much, better, myself, hold, DRAW).
- Trace & Write:** A section for practicing the word "myself" on handwriting lines. The word is written in green, with the first instance being a dashed line for tracing and the second being a solid line for writing. A vertical "myself" is also written on the right side.
- Pattern It:** The word "myself" is written with a colorful, striped pattern.
- Tally & Total:** A tally chart where each letter of "myself" is placed in a colored box with a tally mark above it. Below the chart, the equation $2+3+1+1+3+1 = 11$ is written in green.
