How to Prep:

Print the cover page and the LETTERS I KNOW PAGE. Choose the set of Alphabet Activity Strips that best suit your students and **print them double-sided with the included "Write It" pages.** Hole punch and place the strips on a book ring for students to work through or give students one strip at a time to add to their ring.

How to Use:

Students complete each Alphabet Activity Strip to help reinforce letter recognition and letter writing. Once students complete a strip, they get a sticker, stamp, or star on their "LETTERS I KNOW" page for the completed letter. Students love seeing their progress tracked this way!
