

# SUBtraction **GUMBALLS**

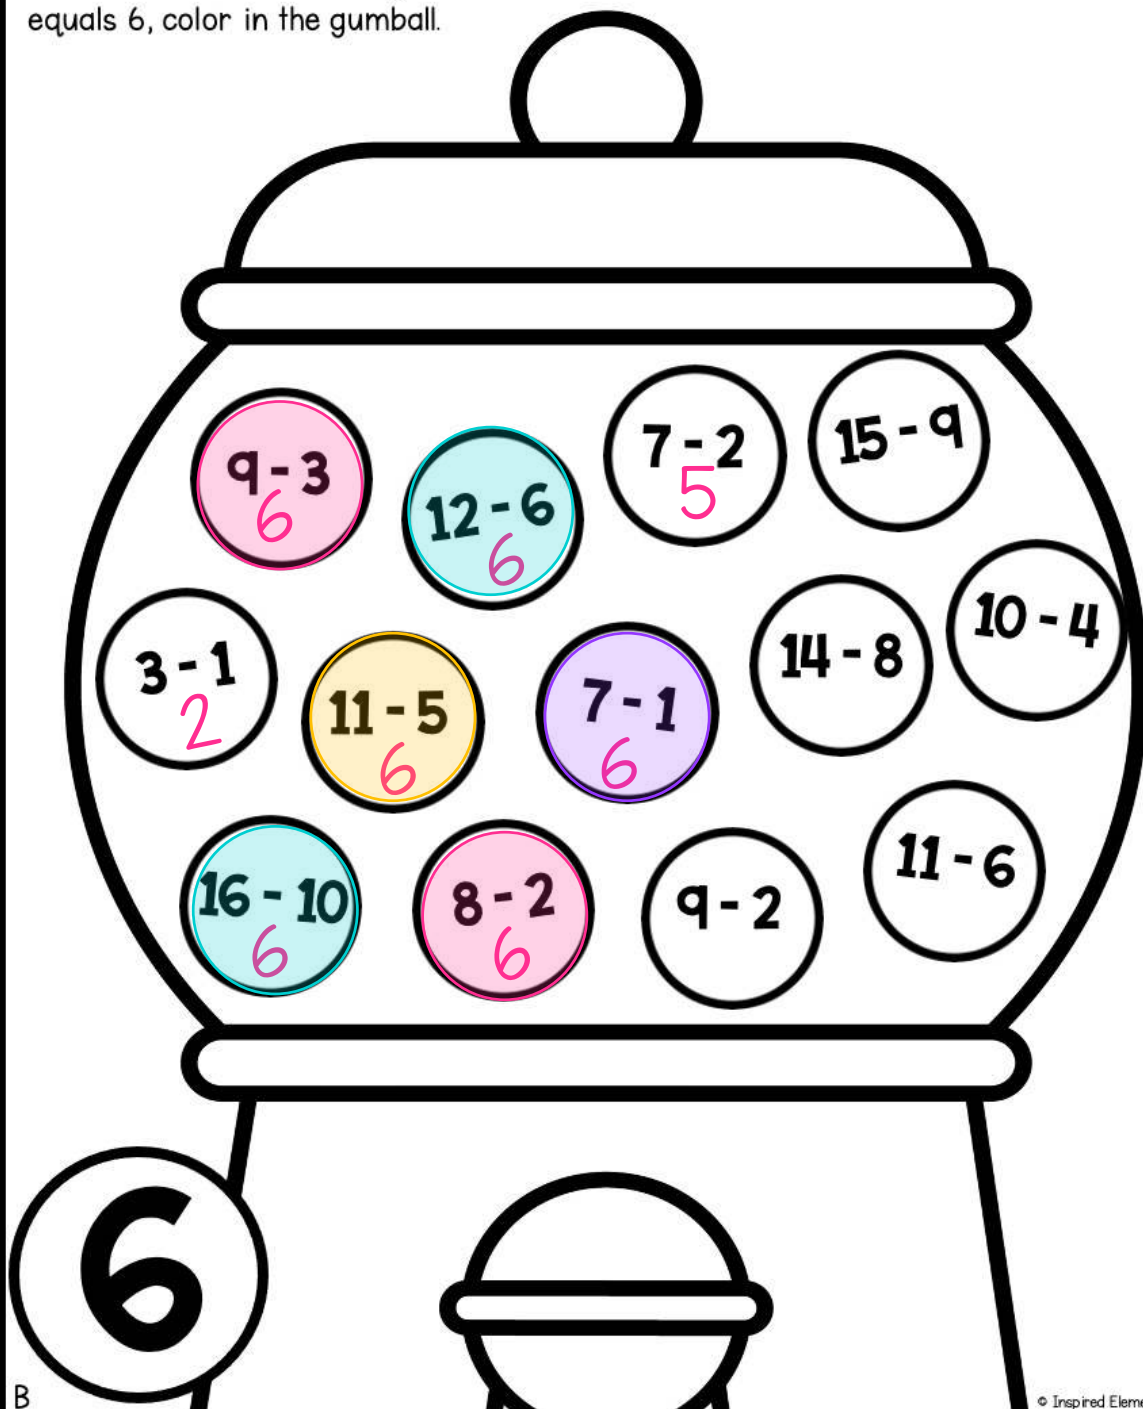

# SUBTRACT THE FACTS TO FIND THE DIFFERENCES

## Finding SIX

Name: \_\_\_\_\_

Subtract the facts in each gumball and write the answer below. If the answer equals 6, color in the gumball.

# SUBTRACTION FACT PRACTICE

# MADE FUN!

## Finding TWELVE

Name: \_\_\_\_\_

Subtract the facts in each gumball and write the answer below. If the answer equals 12, color in the gumball.

## Finding SIX

Name: \_\_\_\_\_

Subtract the facts in each gumball and write the answer below. If the answer equals 6, color in the gumball.

## Finding TEN

Name: \_\_\_\_\_

Subtract the facts in each gumball and write the answer below. If the answer equals 10, color in the gumball.

## Finding 7s & 8s

Name: \_\_\_\_\_

Subtract the facts in each gumball and write the answer below. If the answer equals 7 or 8, color in the gumball.

## Finding TWO

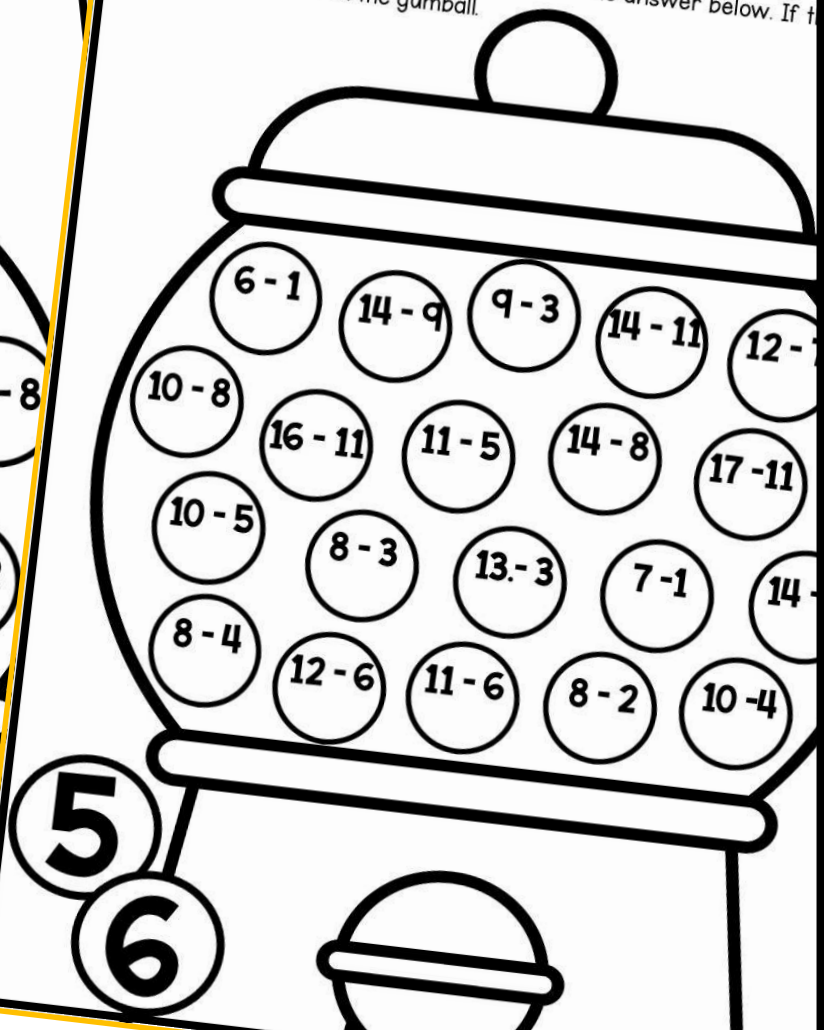

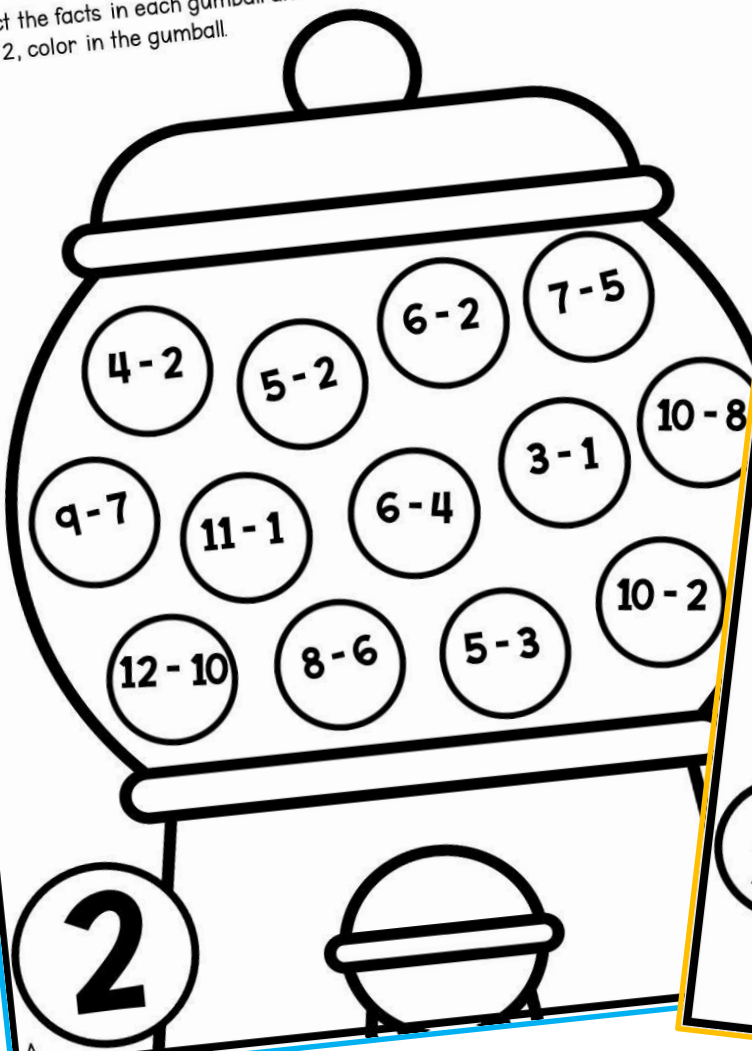

Name: \_\_\_\_\_

Subtract the facts in each gumball and write the answer below. If the answer equals 2, color in the gumball.

## Finding 5s & 6s

Name: \_\_\_\_\_

Subtract the facts in each gumball and write the answer below. If the answer equals 5 or 6, color in the gumball.

\* FACTS FROM 1-12

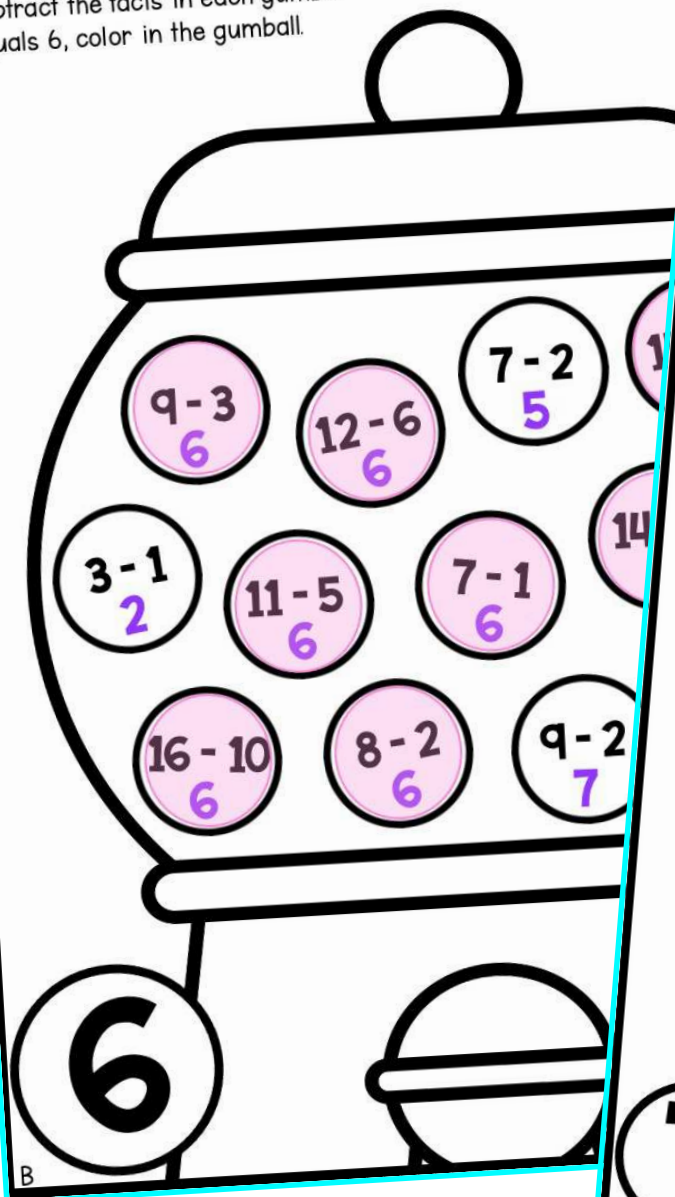

\* MIXED FACT PAGES

ANSWER KEYS INCLUDED

## Finding SIX

Name: \_\_\_\_\_

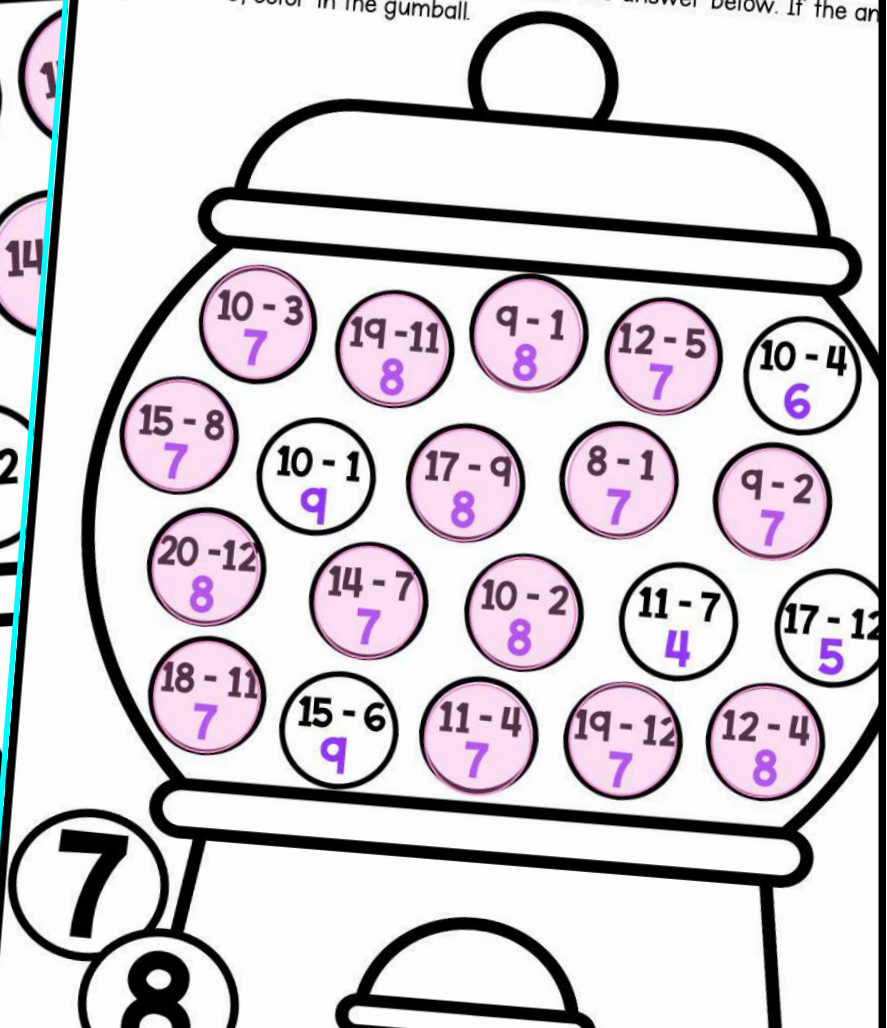

Subtract the facts in each gumball and write the answer below. If the answer equals 6, color in the gumball.

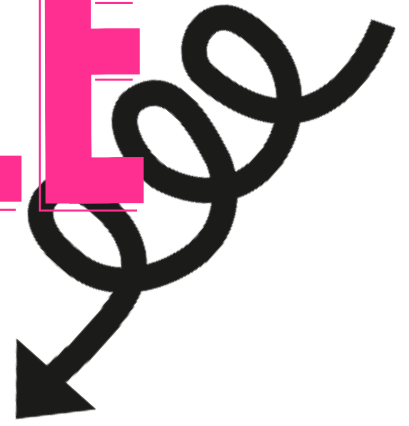

## Finding 7s & 8s

Name: \_\_\_\_\_

Subtract the facts in each gumball and write the answer below. If the answer equals 7 or 8, color in the gumball.
